

Mobile Application Developer Android / iOS

"We are looking for the independent thinkers, the fighters, the passionate, the creative, the defiant, and the determined! We hire for attitude and then for skill. If you are passionate about building Internet companies, we want to hear from you!"

APPLY NOW

Requirements

- Ambitious team player within our flat-hierarchy agile teams.
- Several years of experience in the development of apps primarily for Android or iOS, optimizing for thousands of device types and screen sizes.
- Preferably a degree in Computer Science.
- Expertise around data structures and algorithms.
- Keen to understand regional conditions around mobile networks and eager to optimize apps for device efficiency and fast user interaction.
- High focus on architectural software design using state of the art design patterns and related principles.
- Fluent in English.

Responsibilities

- Design and build applications for the iOS/Android platform
- Ensure the performance, quality, and responsiveness of applications
- Collaborate with a team to define, design, and ship new features
- Identify and correct bottlenecks and fix bugs
- Help maintain code quality, organization, and automatization

Benefits

- Relocation package including visa process and work permit, apartment searching and flight ticket support.
- Fostering of personal growth in a learning and resourceful environment.
- Easy-integration into a highly professional, international and passionate team.
- Competitive compensation package for living and working in Bangkok.
- Knowledge sharing from the best entrepreneurs and IT developers in the industry.
- An office in the heart of one of Asia's most international and lively cities.

About us

Rabbit Internet is a company builder and a venture arm of the BTS Group. We developed the unique Rabbit Internet Platform to bring growth to emerging Thai start-ups. We partner with entrepreneurs to build market leading Asian Internet companies and aim to serve the 600 million consumers in South East Asia by 2020.
