

# Product Manager

"We are looking for the independent thinkers, the fighters, the passionate, the creative, the defiant, and the determined! We hire for attitude and then for skill. If you are passionate about building Internet companies, we want to hear from you!"

**APPLY NOW**

## Requirements

- 4+ years of product management experience in a consumer-oriented, high-performance organization.
- Independent, pro-active problem solver and have a hands-on approach to everything you do.
- Highly adaptable and thrive in a rapidly-changing, complex environment.
- Strong grasp of what constitutes an intuitive UX and product.
- Highly analytical background. Decisions based on user testing and research.
- Entrepreneurial background and are passionate about startups.
- Degree in a technical subject.
- Fluent in English.

## Responsibilities

- Managing the communication between IT and the different business areas.
- Writing specific requirements for our developers and working with them to assure that the features are delivered as requested.
- Assuring that layout, features, workflows and business processes deliver the expected business benefit.
- Hands-on attitude - the product manager must be willing and able to "dive deep" into the inner works of our e-commerce platform and become a functional expert in it.

## Benefits

- Fostering of personal growth in a learning and resourceful environment.
- Easy-integration into a highly professional, international and passionate team.
- Competitive compensation package for living and working in Bangkok.
- Knowledge sharing from the best entrepreneurs and IT developers in the industry.
- An office in the heart of one of Asia's most international and lively cities.

## About us

**Rabbit Internet** is a company builder and a venture arm of the BTS Group. We developed the unique Rabbit Internet Platform to bring growth to emerging Thai start-ups. We partner with entrepreneurs to build market leading Asian Internet companies and aim to serve the 600 million consumers in South East Asia by 2020.
